Report on Individualised Educational / Lesson Planning Programme

Individual Educational Plan (IEP) is a written plan/programme which is related to students academic goal and method to obtain these goals. This plan is followed by our institution. When the pupil teachers go to 16 week school internship period. During this period, they commit action research in which they observe the problem of school-based learning environment and note down it. They focus on student, collect and organize data after that analysis data and lastly taken action to prepare final report with the help of mentor. The pupil teacher of our institution commits such types of action research in the practice teaching school during the internship period regularly.

Report on Identifying varied student abilities

Our Institution prepares our student before school internship in such a way that how to identify the different abilities among students through different psychological test like intelligent test, personality test, career reference record test etc. Teachers explain the importance and use of different type of tests. Students apply these test during the school internship to identify students abilities.

Report on dealing with student diversity in classroom

Teachers of our institution takes different pedagogical classes in semester 2nd and semester 3rd before going to school internship to promote students to use teaching techniques and skills, teaching strategies, maxims of teaching in classroom. In these classes, students learn how to use these technique, strategies and maxims during school internship.

Report on visualising differential learning activities according to student needs:-

Teacher of our institution takes classes to develop the concept of commonalities and diversities in the classroom as well as our teachers also encourage and motivate student to handle the classroom situation before the school internship. Our students listen these classes attentively and they takes demo classes to apply it before school internship in institution.

Report on Lecture on Inclusive Education

A special lecture on Inclusive Education was delivered on 17-02-2023 at multipurpose hall of our institution. Dr. Arun kumar Roy Mahato, Asst. Prof, (Dept. Of Zoology). K.B. college, Bermo, Bokaro plays the active role as an expert in the special lecture. He specially focused how we develop and design our school, classrooms, programs and activities so that all communities Student from different background learn and participate together. Our student listened this lecture attentively. Overall the programme was successful and fruitful.

Report on Assessing student learning

Learning assignment is an integral part of the teaching learning process. Before school internship, teacher takes classes to explore how to make an assignment, blue print, unit question paper, duty chart and result sheet. After classes, teachers help students to understand techniques and tools of evaluation which is useful for assessing student learning during school internship.

Report on Mobilizing relevant and varied learning resources

Our Institution always tries to keep pace with new technology of education. To promote this, teacher explain the importance and use of various technology like social media, YouTube, model, diagram, PPT etc. in teaching learning process. To make teaching learning process more effective, our teacher teaches pupil-teacher how to use these technology as learning resources in school environment.
