## Research Policy

Research Policy enrich the improvement of the faculty in the institution also helps the institution to achieve excellence in the field of education. Research accumulates new information and knowledge to the faculty and students. Research and development activities helps to create and disseminates new avenue of knowledge, promotes innovation and these will motivate better learning and teaching among faculties and students of B.B.M. B.Ed. College, Sardaha, Chas, Bokaro framed and implemented its research policy.

This policy shall apply to all staffs who are active in teaching research, administration and provision of any form of support to the core function of the college.

### **Objective of the Research policy:-**

- i. To develop and promote scientific temper and research aptitudes of all the learners.
- ii. To realize the vision and mission of the college and facilitating their participation in research and related activities.
- iii. To develop rules, procedures and guidelines for granting research support, instituting awards and supporting all others research and related activities.
- iv. To encourage and facilitating the publication of the research work/projects in reputed journals.
- v. To provide study leave for course work, orientation, refresher course etc.
- vi. To encourage all those activities which will inculcate research culture in the college.
- vii. To provide financial assistant for attending seminar workshop and faculty development programmes.
- viii. To provide financial assistance for publishing research paper, articles etc.
- ix. To create awareness about intellectual property right and revised version of APA guidelines.
- x. To promote collaboration with other institution to exchange their ideas to create linkage with them for mutual exchanges.

### **Process for seed money:-**

- i. The teachers/faculty members working in the college are eligible to make seed money.
- ii. The research proposal can be submitted any time in that academic year.
- iii. Individual/Joint proposals to be submitted to research cell.
- iv. All the research proposal submitted by the faculty for grant for seed money will be put forward to expert community to be decided by the management / principal.

### **Study Leave:-**

- i. The faculty members are provided with study leave of maximum 15 days to enable them to carry out his/her research activity.
- ii. The faculty member should given academic leave application advance for at least two week.
