## REPORT ON LEARNING EXPOSURES

To make the college one of the best Learning center of its own kinds on our future action and their results and to achieve the set targets, college takes several steps and initiation according to needs.

### **To face the language related needs of the students**

As our college belongs to rural area and there are so many dialects surrounds our institution. Hence, our students have to face a lot of language problem. To evade this problem, our institution taken several steps like bilingual lectures/classes for the student, value added course on spoken English. Hindi and English books related B.Ed courses are also available in our library.

### **To meet the diverse academic needs of students:-**

Adequate number of books in different subjects are made available in the library. Internet facility and E-learning is also available in our institution for advance learning. Retreated learners are indicated the class test in different subject and they are taken special care by remedial classes. Beside this, class notes and materials are provided to the students. Our Student belongs to different stream subject. To keep in attention to that our institution tries to provide equal education to all.
